Research Guide to Finance

This research guide focuses on financing and financial management--investing, accounting, allocating--with an emphasis on real estate. It is designed to provide a foundation and launching point for further research. The resources derive from an assortment of government, academic, non-profit, for-profit, and non-governmental organizations. It is up to you to determine a resource’s bias, veracity, authenticity, and date currency.

### Latest SEC Filings

Publicly traded companies are required to submit various filings into the U.S. Securities and Exchange Commission's EDGAR filing database (Electronic Data Gathering, Analysis, and Retrieval). The EDGAR filings are a great resource for financial data and much more. Annual reports, also known as form "10-K," are a great place to start when reviewing a company's financials.

- Compliance & Risk Management Solutions Inc. (0001592782) (Filer)
- Ingersoll-Rand plc (0001466258) (Filer)
- KIMBERLY CLARK CORP (0000055785) (Filer)
- ALTRIA GROUP, INC. (0000764180) (Filer)
- Tomichi Creek Outfitters (0001584693) (Filer)
Finance Fundamentals

On the Time Value of Money

The Time Value of Money is an important concept to grasp in order to conduct any type of financial analysis. The resources below will assist in understanding this tricky concept.

- **Time Value of Money**
  The Khan Academy offers a wealth of videos and tutorials on finance. This video on the time value of money is a great place to start.

- **A Primer on the Time Value of Money**
  A primer from New York University's Stern School of Business.

- **The Time Value of Money**
  From the Study Finance website maintained by Dr. Sharon Garrison.

- **Simple Interest**
  Tutorial from Dr. Sharon Garrison’s Study Finance website.

- **Compound Interest**
  Tutorial from Dr. Sharon Garrison’s Study Finance website.

Other Finance Fundamentals

Other important financial terms and concepts to understand include discount rate, discounted cash flow, Internal Rate of Return (IRR), and Net Present Value (NPV). Even if you plan never to work in the field of finance, these concepts are crucial to understand as you will likely encounter them at some point in your career. With any type of empirical research or methodology, assumptions are made. Knowing the elements that combine to arrive at IRR and NPV will help you understand whether an investment opportunity is wise and the assumptions made to arrive at such numbers.

- **The Federal Reserve Discount Rate**
  The U.S. Federal Reserve explains their discount rate.

- **Inflation**
  The U.S. Federal Reserve explains inflation.

- **Internal Rate of Return (IRR)**
  Princeton University explains the meaning of Internal Rate of Return (IRR).

- **Net Present Value (NPV)**
  Princeton University explains Net Present Value (NPV).

- **Discounted Cash Flow**
  Princeton University details the salience of a Discounted Cash Flow (DCF) analysis.
Data & Statistics

Research Reports

- **Monetary Policy Report**
  The U.S. Federal Reserve publishes a semiannual report (in February and July) on monetary policy which provides an overview of domestic, financial, and international developments. This is a good resource for macroeconomic data.

- **Assets and Liabilities of Commercial Banks in the United States**
  Board of Governors of the Federal Reserve System (Weekly)

- **Budget of the United States Government**
  Government Printing Office (GPO)

- **Consumer Credit**
  Board of Governors of the Federal Reserve System (Monthly)

- **Finance Companies**
  Board of Governors of the Federal Reserve System (Monthly)

- **Selected Interest Rates**
  Board of Governors of the Federal Reserve Board (Weekly)

- **Treasury Bill and Yield Rates**, U.S. Department of the Treasury
  Long-term, bill, and yield curve rates.

Data & Statistics

- **Commitment Rate for 30-Year Fixed-Rate Mortgages**
  The U.S.’s Federal Home Loan Corporation (aka "Freddie Mac") provides chart of monly average commitment rate and points on 30-year fixed-rate mortgages since 1971.

- **Daily Treasury Rates**
  The U.S. Department of the Treasury provides rates for daily Treasury yield curves (OTC and Treasury securities), daily Treasury bill rates, and much more.

- **Economic Census: Finance & Insurance**, U.S. Census Bureau
  Statistics on finance and insurance firm size, revenues, administrative expenses, and much more.

- **FedStats**
  Geographical statistics and compilation of websites from over 100 U.S. agencies.

- **Interest Rate Statistics**, U.S. Department of the Treasury
  Yield curve, bill, and long-term rate averages. (Daily)

- **Options Calculator**
  The Chicago Board Options Exchange (CBOE) has many tools for analyzing options such as this options calculator. Mouse over "Tools" at the top of the CBOE website to locate additional tools.

- **1031 Land Exchange Data**
  1031 Exchange data from the US Internal Revenue Service for the years 1995-2010. Click on the link for "Form 8824" to view the data.

- **Foreign Exchange Rates Weekly**
  The U.S. Federal Reserve publishes a weekly report for foreign exchange rates.
Financial Tools

The tools below assist with conducting financial analyses and making empirical financial projections.

- **CPI Inflation Calculator**
  The U.S. Bureau of Labor Statistics offers this handy inflation calculator based off the Consumer Price Index (CPI) to ascertain the cost of something in the past versus today.

- **Loan and Amortization Calculator**
  Bankrate.com

- **Loan Calculator**
  FINRA

- **Foreign Exchange Rates**
  Board of Governors of the Federal Reserve System (Weekly)

- **London Interbank Offered Rate**
  A rate set by the British Banker's Association and Thomson Reuters. "Libor influences rates for many home loans, particularly adjustable-rate mortgages (ARMs). If the banks manipulate Libor upward, that means people with ARMs will pay more." ([Libor: The Big Fix](https://example.com) by Brian Summerfield).

- **Mortgage Payment Calculator**
  Realtor.com

- **Historical Treasury Rates Tool**
  The U.S. Department of the Treasury offers this historical treasury rate tool--compare different rates and select a date range from 1995 to present.

Articles & Books
